Averages for Design & Engineering Services

1. Conceptual Sketches

- **Description:** Initial hand-drawn or digital sketches that convey the overall concept and vision of a project. These are typically early-stage visuals to establish the design direction.
- **Price Range:**
 - **Small Project:** \$500 - \$1,500
 - **Medium Project:** \$1,500 - \$5,000
 - **Large Project:** \$5,000 - \$15,000

2. 3D Rendering

- **Description:** High-quality rendering software to visualize the project in three dimensions. Used to give clients a realistic view of the space before it's built.
- **Price Range:**
 - **Single Image:**
 - **Rendering (Small Project):** \$600 - \$1,500 per image
 - **Rendering (Medium to Large Project):** \$1,500 - \$5,000 per image
 - **Multiple Views/Scenes:**
 - **Small Project:** \$2,500 - \$6,000 (for 3-5 views)
 - **Medium Project:** \$6,000 - \$12,500 (for 5-10 views)
 - **Large Project:** \$12,500 - \$30,000 (for full walkthrough or multiple angles)

3. 2D Drawing

- **Description:** Flat, two-dimensional visuals such as floor plans, elevations, and sections. Often used for technical drawings or basic interior design visuals.
- **Price Range:**
 - **Floor Plans or Elevations (Digital):**
 - **Small Project:** \$300 - \$800 per drawing
 - **Medium Project:** \$800 - \$2,500 per drawing
 - **Large Project:** \$2,500 - \$7,500 per drawing
 - **Interior Details / Room Layouts (Digital):**
 - **Small Project:** \$400 - \$1,200 per room
 - **Medium Project:** \$1,200 - \$3,500 per room
 - **Large Project:** \$3,500 - \$10,000 per room

4. Interior Design

- **Description:** Full-service design for interior spaces, including layout and space planning, materials selection, fixtures, furniture, equipment, interior detail and millwork, lighting design, and more.
- **Price Range:**
 - **Consultation Fee:** \$150 per hour (for an initial in-person meeting or advice)
 - **Full Interior Design Package:**
 - **Small Project:** \$2,000 - \$6,000 per room or space
 - **Medium Project:** \$6,000 - \$20,000 for multiple rooms or smaller homes/offices
 - **Large Project:** \$20,000 - \$50,000 for entire homes or commercial spaces
 - **Project Management:** (for overseeing purchases, contractors, installation)
 - **Small Project:** \$1,000 - \$3,000
 - **Medium to Large Project:** \$3,000 - \$10,000

5. Landscape Design

- **Description:** Design of outdoor spaces, including garden layouts, hardscape, water features, planting schemes, and lighting. Includes initial concept and detailed plans.
- **Price Range:**
 - **Consultation Fee:** \$150 per hour (for an initial in-person meeting or advice)
 - **Concept Design:** \$1,000 - \$3,000 (for a basic landscape concept)
 - **Detailed Design:**
 - **Small Project:** \$2,500 - \$5,000 (e.g., a backyard or small garden)
 - **Medium Project:** \$5,000 - \$15,000 (e.g., larger garden or commercial landscape)
 - **Large Project:** \$15,000 - \$40,000+ (e.g., large estates, parks, or resort landscapes)
 - **Site Plans / Construction Documentation:** \$3,000 - \$10,000

6. Engineering Services (Structural, MEP, Civil, etc.)

- **Description:** Engineering services through our trusted partners to support the design process, including structural engineering (foundation and framing), mechanical, electrical, and plumbing (MEP), and civil engineering (site work, drainage, grading, etc.).
- **Price Range:**
 - **Structural Engineering:**
 - **Small Project:** request a quote (basic residential or small commercial)
 - **Medium Project:** request a quote (multi-story buildings or more complex designs)

- **Large Project:** request a quote (large-scale commercial or industrial)
- **MEP Engineering:**
 - **Small Project:** request a quote (residential or small office space)
 - **Medium Project:** request a quote (larger offices, apartments)
 - **Large Project:** request a quote (commercial buildings, hospitals)
- **Civil Engineering:**
 - **Small Project:** request a quote (site grading, drainage, simple roads)
 - **Medium Project:** request a quote (site design for commercial buildings, parking lots)
 - **Large Project:** request a quote (major infrastructure projects, subdivisions)

Notes:

- **Consultations:** Our in-person consultation rate is \$150 per hour.
- **Revisions:** Prices may increase if there are multiple revisions or detailed modifications after initial drafts.
- **Packages:** Some firms offer discounted rates for bundled services (e.g., combining 3D rendering with interior design or landscape design).
- **Location:** Prices can vary greatly based on your geographic location (urban vs. rural).
